BICYCLE ILLINOIS™

Illinois' Cross-State Bicycle Tour

July 7 - 14, 2012

TOUR OVERVIEW

Starting from Cairo at Illinois' southernmost tip and ending in downtown Chicago, Bicycle Illinois is the only bicycle tour across the entire state of Illinois and one of the most challenging in the Midwest. You'll cycle for 6 days and cover at least 500 miles, an average of 85 miles per day, and century options are available every day as well.

Whether you are a recreational cyclist looking for a sense of accomplishment or an athlete looking to challenge yourself and improve your cycling skills, Bicycle Illinois has something for you. You'll gain a new level of satisfaction and self confidence as you ride with new friends along the way!
