AGREEMENT, WAIVER & RELEASE OF LIABILITY

I, the undersigned, know that the TRI-STATE TOUR ("the EVENT") is a potentially hazardous activity and I attend it out of my own free will and choice. In choosing to attend the EVENT and any related events, I fully accept and assume all risks, whether before, during or after the EVENT and its related events. These include, without limitation, physical injury, mental injury, emotional distress, trauma, sickness, illness, death, contact with other participants, equipment failure, inadequate safety equipment, the effects of weather including extreme temperature or conditions, traffic, contact with other riders or fixed objects, the conditions off the road, camping, and participating in events along the route. All risks are known and appreciated by me. I shall assume and pay my own medical and emergency expenses in the event of injury, illness, or other incapacity regardless of whether I authorized such expenses.

I agree to abide by all of the EVENT rules, regulations, policies and procedures as published on the web site and/or as directed by the ride director and that my participation in the EVENT may be temporarily or permanently terminated for any failure to do so. I realize that the EVENT requires physical conditioning and I represent that I am in sound medical condition capable of participating in the ride without risk to myself or others. I have no medical impediment, which would endanger others or myself. I understand and agree that a situation may arise during the EVENT which may be beyond the control of the sponsors, promoters or organizers. I will be solely responsible for the condition and adequacy of my bicycle, safety gear and riding equipment. I will ride safely within the limits of my own abilities, my equipment and the riding conditions and in a manner so as not to endanger either myself or others. I grant the EVENT the unrestricted right, license, and authority to display, record, and/or otherwise use my image, voice, likeness and/or any depiction of mine in whole or in part for any purpose at the EVENT's sole discretion, including, but not limited to, any account, description, picture, video, audio, reproduction or other information related to the event.

Knowing these facts and in consideration of my entry acceptance, admission to and/or participation in the EVENT, I, for myself and anyone acting on my behalf, release, waive, discharge, covenant not to sue and agree to hold the EVENT's sponsors and participating clubs, communities and organizations; the EVENT's officials, emergency and support personnel, volunteers and their representatives; directors, employees, representatives, agents, and successors of all of the above, harmless from any and all claims, demands and actions of any and every kind I have, may have or may hereafter accrue against the released parties directly or indirectly arising out of or relating in any respect to my attending or participating in the EVENT and its related events. I further agree to indemnify and hold the parties released above harmless from any and all losses, damages, claims and expenses, including attorneys' fees, arising from or relating in any respect to my participation in the EVENT or its related events or my breach of this agreement. If we do not have much experience with your specific GPS unit we may also contact you to see how well our route dataset files work with it. Shortly after registration closes we will announce whether we will either paint road markings and put up orange flags over the route or provide an individual GPS unit to all participants who will not be riding with one.
