Mechanical Support Plan - \$19.99

Our mechanic offers a pre-paid Mechanical Support Plan which includes:

- All mechanical labor services on the road during the ride, every riding day, including flat tire changing.
- A pre-ride inspection the day before your first riding day of the event upon request.
- A free loaner wheel in case of unrepairable wheel damage (subject to availability).
- A free loaner bicycle if case your bicycle can not be repaired on the road during the ride (subject to availability).
- A 15% discount on post-ride services and repairs not included in the mechanical service plan, such as bike wash and tune-up services.

The mechanical support plan is a fantastic value and makes a LOT of sense! Considering the minimum fee for any single service is at least \$20 and an on road visit from the mechanic is \$50, the mechanical support plan will easily pay for itself. You'd be crazy NOT to purchase it!
